

**GRAPEVINE HIGH SCHOOL**  
**Cheerleading Constitution 2026-2027**

**Purpose**

The purpose of Grapevine High School cheerleading is to create, promote, and uphold school spirit in accordance with school rules and to represent the GCISD and campus. Such representation shall include, but not be limited to, competition with other schools in cheer competitions. Cheerleaders shall promote leadership, sportsmanship, self-discipline, and encourage high academic standards and good citizenship for the campus and fellow cheerleaders. Cheerleaders shall plan and initiate activities that encourage student body and community support and involvement in the promotion of athletic events and other large school activities.

**Structure of the Teams**

The high school spirit program may consist of three school teams; Varsity, JV, and Spirit Rustlers. Spirit Rustlers will have separate tryouts and guidelines not included in the cheer constitution.

- o The Varsity cheer squad will consist of juniors and seniors that meet the requirements for the Varsity squad.
- o The JV cheer squad will consist of freshmen, sophomores, juniors, and seniors that meet the requirements for the JV squad.
- o An 8 member minimum is needed for a team to make.
- o Throughout the year, it may be necessary for coaches to adjust the composition of the squads based on the needs of the program.

**Expectations of Grapevine High School Cheerleaders**

1. A cheerleader is considered a leader at all times. Drug and alcohol use and infractions of school rules are not acceptable for any member of a high school cheerleading squad. Every cheerleader will sign the Extra/Co-Curricular Pledge as mandated by the GCISD or shall forfeit squad membership in accordance with GCISD policy.
2. Cheerleaders are expected to set a good example for their classmates and follow the GCISD Student Code of Conduct, including Dress Code, whether or not the school or an individual teacher is actively enforcing a rule at the time. This includes but is not limited to the following: Cheerleaders should not expose their stomachs or have visible tattoos, no visible piercings other than on the ears, and hair should be a natural color.

3. Cheerleaders shall be cooperative with teachers, administrators, coaches, and fellow cheerleaders. Cheerleaders shall promote and maintain good relationships with other school organizations and the student body.
4. Varsity and JV squads shall attend, cheer and/or support activities scheduled by the coach. The cheerleader coach will evaluate exceptions when adequate notice is given.
5. Cheerleaders shall participate in and give freely of their time for all cheerleading activities deemed appropriate by the coach. All conflicts with the assigned activities shall be discussed with the coach in advance.
6. In order to be an active high school cheerleader, cheerleaders will be required to be enrolled in the appropriate cheerleading class(es), both fall and spring semester of the membership year. Seniors will not be enrolled in the spring semester cheer course and should plan accordingly. Cheerleaders are encouraged to participate in other school activities as long as there are no conflicts with their cheerleading responsibilities. There should be communication with coaches and all concerned to eliminate potential conflicts.
7. Due to the strenuous nature of the activity, cheerleaders shall dress out daily and will participate in a conditioning program that includes such activities as running, aerobics, weight lifting, stamina jumps, tumbling, stunting, etc. Any braces or supports shall be worn to all practices. If at any time a cheerleader loses the ability to perform a skill, he or she may be removed from the activity until the skill is regained.
8. Cheerleaders shall treat every appearance (game, pep rally, competition, etc.) as a performance. Inability or refusal to perform certain routine tasks such as required jumps, tumbling, stunts, or repeated instances of memory mistakes during routines may result in the cheerleader being removed from that specific performance.
9. Concerns or questions encountered throughout the year should follow the following chain of command:
  - Coach
  - Girls Athletic Coordinator
  - Vice-Principal
  - Principal

### **Expectations - Grades**

1. Cheerleading is a UIL Spirit Activity so members will be held to the same “No Pass, No Play” standards. Grades shall be checked and monitored. At the end of each six/nine week grading period and at other times as requested by the coach, cheerleaders shall provide report cards and progress reports to show evidence of their eligibility.
2. A cheerleader failing a course will be ineligible to cheer in accordance with UIL eligibility guidelines ([http://www.uil.texas.edu/policy/side\\_by\\_side.html](http://www.uil.texas.edu/policy/side_by_side.html)). During the period of ineligibility, the member will dress out and participate in all practices, but may not participate in any pep rallies, games, or other performances. The member may not travel with the team to such functions.
3. If a student is ineligible due to failing grades for two grading periods in the same school year, he or she will be removed from the squad. The grading periods do not need to be consecutive.

### **Expectations - Attendance**

1. Cheerleaders are expected to have excellent school attendance and are responsible to their fellow squad members to attend and participate in all practices and activities.
2. Unexcused absences from school or cheerleading activities may result in disciplinary action by the coach.
3. Cheerleaders must personally notify the coach BEFORE being absent from any cheerleading activity (at least 24 hours in advance). If an emergency should occur, the parent may write a note the next day for the absence to be excused. Under certain circumstances, the coach may request a doctor’s note from a cheerleader who has multiple absences due to illness or injury.
4. Any cheerleader, unable to perform or practice because of an illness or injury, shall appear at the event in full uniform and sit in a designated area, unless the illness or injury warrants non-attendance as determined by the coach. If an injury or illness hinders or limits a cheerleader’s performance capabilities, that cheerleader is required to present a doctor’s note outlining performance limitations or releasing the cheerleader to perform or practice again.

5. Cheerleaders shall ride the bus to and from out-of-town athletic events if a bus is provided. If they do not, they will not perform in that event. Exceptions to this rule will be made on an individual basis, with coach approval and appropriate waivers completed in advance of the event.

7. High school cheerleading obligations supersede club or all-star events or practices.

4. Phones are not allowed at practice.
5. Team members may not leave practice without thoroughly cleaning up the practice area including mats, ice bags, clothing, etc.

### **Expectations – Uniforms**

### **Tumbling Certifications**

The purpose of the Tumbling Certification is to provide an evaluation that the candidate can be called upon to perform the minimum tumbling skills safely throughout the year. SAFETY IS GCISD's CONCERN. Demonstration of tumbling skills during the Tumbling Certification process shall in no way lessen the need to demonstrate tumbling skills within the tryout process.

1. All candidates will be required to show proficiency and safety on the following list of tumbling criteria:

JV:            Standing Back Handspring  
                   Running Round Off Back Tuck

Varsity:      Standing Back Tuck OR Standing Back Handspring(s) Back Tuck  
                   Toe Touch Back Handspring  
                   Running Round Off Back Hand Spring Back Tuck

2. Candidates who do not meet the proficiency of these skills in a manner deemed to be safe will not be eligible to try out for the JV or Varsity squads. GCISD defines "safely" as: completely rotating and landing on feet.
3. The tumbling certification will take place before the tryout and certification will be determined by the respective cheer coaches. Candidates will have multiple opportunities to pass tumbling certification.

4. Each candidate will have 3 attempts (but no more than 5 minutes) to demonstrate his/her required skills at each tumbling certification.

**NOTE: Attempting to demonstrate any tumbling skills the candidate has not already mastered is dangerous.**

Order of performance shall be determined by random draw within the team each candidate is trying out for. Candidates shall tryout in team order on the tryout date.

**NOTE: Attempting to demonstrate any tumbling skills the candidate has not already mastered is dangerous. Candidates who have not mastered a skill should substitute the highest level skill that they have mastered.**

4. Candidates will perform a set of individual and group skills before a panel of 4 judges. The judges will evaluate the candidates utilizing the score sheets presented in the tryout meeting (see attached). Scores will be averaged.
5. A candidate must receive the minimum score (see below) from the judges to earn a spot on the team. If these scores are not obtained, the candidate shall not be considered for membership. **Judges' scores are final.**

### Tryouts-Extenuating Circumstances

1. If a candidate encounters extenuating circumstances (defined as a physical injury that inhibits performance), they must contact the coach directly prior to the tumbling certification/tryout and

as soon as the candidate becomes aware of his/her injury with medical documentation.

Extenuating circumstances brought to the attention of coaches/administration after the tryout process will not be considered.

2. Students who are unable to complete any portion of the tryout process must appeal in writing to the high school campus principal. Previous same-level tumbling certification and coaches' knowledge of the athlete may be considered.

3. Attendance at the tumbling certification, tryout clinics, and tryout is required for the demonstration of those skills that can be accomplished according to the doctor's instructions.

\*\*\* Please remember, these skills will continue to be mandatory throughout the year. Failure to perform required skills upon release from injury could result in removal from squad events and performances.

**NOTE: Attempting to demonstrate any tumbling skills the candidate has not already mastered is dangerous.**

#### **Coach's Authority**

1. Cheerleaders shall attend all activities scheduled by the coaches. All activities, projects, trips, expenditures, and fundraisers concerning the cheerleading organization must be approved by the coach and campus administration.
2. GCISD is not responsible for independent practices or individual competitions that cheerleaders engage in which are not approved and scheduled by the coaches.
3. Cheerleader coaches shall receive training annually from a recognized cheerleading organization.
4. The interpretation of all rules is the sole right of the coaches and the principal.

#### **Cost**

The District will provide each cheerleader with a uniform. The Cheer Booster Club, with approval from campus administration and the coaches, may elect to provide additional uniforms and equipment for the program. The Cheer Booster Club will provide fundraising opportunities to help finance non-school District supported activities and competitions. The GCISD does not want the cost of the program to prevent any interested candidate from trying out. If a candidate

has financial concerns, they should contact campus administration to see if solutions can be found.

### **Extra Expenses**

Cheerleaders and their families might elect to purchase team pictures, gifts, patches, and apparel other than those purchased by the District. The purchase of these items is the sole responsibility of the parent or guardian.

### **Resignation/Removal**

**Resignation** is defined as a choice made by the individual cheerleader to no longer participate in the GCISD cheer program. The resignation procedure involves a conference with the coach and a letter of resignation signed by both the cheerleader and cheerleader's parent(s) or guardian(s).

**Removal** is determined by either the failure to meet the disciplinary standards as set forth by the campus in a merit/ demerit system, conduct viewed as unbecoming as determined by the coach or administration, or disciplinary removal in accordance with the program guidelines and school policies. Removal will be a joint decision by the cheer coach and campus administration.

All property of the school shall be returned and all financial obligations shall be cleared at the time of resignation or removal.

In the event of dismissal or removal during mid-semester, the student will be reassigned to another class.

Reinstatement during the school year may occur only if the cheerleader moved away and returned within the same school year, provided that the cheerleader was in good standing with the program. No other reinstatements shall be allowed.

If a participant is removed or resigns their position, they will forfeit the privileges of an active cheerleader (i.e. banquet, trips, socials, competitions, etc.)

### **Competitive Cheer Squad**

Varsity and JV cheerleaders will have the opportunity to participate on a competitive cheer squad. The decision to participate as a member of the competitive cheer squad is to be determined by the coaches.

### **Miscellaneous Information**

The Cheerleader Constitution is subject to change at any time due to any Texas Education Agency rule changes, GCISD School Board policies, or changes approved by the coaches and principal. Additions may be made by the GCISD administration to the constitution at any time based on program needs.
